Part – IX: Grievance Redressal Mechanism

9.1 Compliance status of ‘Grievance Redressal Mechanism’ – As per Annexure - X of UGC (ODL Programmes and Online Programmes) Regulations, 2020

HEI shall mention the mechanism put into place along with brief details of grievances received and actions taken thereof. Also mention that how the learners have been made aware about this mechanism.

The University has an online link on the University’s home page, namely register your complaints/queries in the students corner. Using this link a learner can raise a query regarding any issues including examinations. Any learner can use the online grievance system to report the problem. The query raised by the learner is assigned to the concerned person for its resolution

The University has constituted a committee to address examination related grievances for special cases. The committee also deals with scrutiny related issues. Any learner can approach the

University through proper channel, *i.e.*, through the Registrar of the University, for any grievance. The grievance is forwarded by the Registrar’s Office to the concerned Section and the issue is resolved by the concerned authority. Examination section has an email id using which learners can send their queries regarding examination at this id directly. Considering the nature of the query, the related concerned person resolves it.

Learners can also raise grievances regarding any issue including examinations through UGC’s portal and through *Samadhan Portal* which are forwarded to the University for Resolution. Till now, the University has resolved 100% (10 out of 10) of the cases lodged on the UGC’s portal

Part – X: Innovative and Best Practices

10.1 Innovations introduced during academic year

- Automation introduced in the various field of administration and examination.
- Steps toward digitalization and use of QR code was introduced.
- Marksheets/Transcripts are being linked to the Digilocker.

10.2 Best Practices of the HEI

- Over the years, various sets of values have been developed and, some of these values could be turned into best practices of the University. For instance, ICT practices as well as e-governance were implemented in the University in a large scale. Similarly all teaching faculties of the University are able to achieve a high level of ICT proficiency which contributed to the development of SILM, Video content and online counseling.
- The online system of grievance redressal of this University is very unique. University is following a unique ticketing system wherein, the moment an online complaint/ grievance/ query is received, a ticket is generated automatically and the complaint/ grievance/ query is transferred to the concerned person for its resolution and the ticket remains open till the query is fully resolved by the concerned.
- Information related to all functioning of the University is uploaded on the website of the University, e.g., basic information related to the University, admission notice, status of book distribution, assignments, minutes of all the meetings, examination notices, including result and minutes of various meetings, etc., are all displayed on the website of the University.
